Dear Customer,

Thank you for renting equipment from Rasmussen Equipment Company. We appreciate your business.

Please take note of the following.

1. **STANDARD EQUIPMENT RENTAL AGREEMENT:** We require that you sign and return, via electronic signature or email, your Reservation/Contract including Terms and Conditions, prior to the start of your rental.
2. **INSURANCE REQUIREMENTS:** Please forward the "Insurance Requirement Letter" to your insurance provider. We will need a fully executed insurance certificate for the stated value of the equipment emailed to us prior to the start of the rental.
3. **BILLING TERMS:** Our terms are "Net Upon Receipt of Invoice", unless otherwise noted.
4. **MINIMUMS:** All rentals require a minimum duration of 4 weeks (28 days).
5. **TAXES:** State and/or County Personal Property taxes are paid on our rental equipment, at the locations of our business, because our rental agreements are temporary and short term. If any local taxes are generated as a result of this rental agreement, they will be the responsibility of the lessee.

Thanks again for renting equipment from Rasmussen Equipment Company. If you have any questions, please don't hesitate to contact us.

Best regards,
